9/15 Meeting Notes

- Remind Storkd team to send graphics
  - Edreys will send over main App icon image
- What information should be included in sign-up page?
  - Item category
  - Price point
  - Artisan or consumer (or both)
  - Also see storyboard notes
- Essential vs Addon features
  - Social media login – essential
  - 'Yes' should go in queue – essential
  - 1v1 message (from queue) – essential
  - Upload photos – essential
  - Geolocation strictness – essential
  - Down payment from app – Ideal
  - Artisan can specify city location for item – Ideal
  - Customer search should default to searching from current location, perhaps also giving the option to manually filter geographically later – Ideal
- Dependencies/Risks
  - Chat messaging should be very simple
  - React Native proficiency ramp-up
- Schedule moving forward
